

# Best Environmental & Sustainability Initiative

## Entry criteria and submission advice

### CATEGORY SPECIFICS

Consideration for the local environment and demonstrating a commitment towards meeting national and international climate change initiatives are an important part of any urban transport operation. They also form a key part in decision-making for responsible organisations – how is your organisation playing its part?

### GENERAL

- > The Global Light Rail Awards are free to enter.
- > Entry submissions are preferred in digital PDF format, although can be supplied as printed copies.
- > Please include high-resolution photographs, diagrams and graphics to support your entry where applicable.
- > Award entries should be a minimum of 2 pages and a maximum of 10 pages.
- > Initiatives (including improvements to existing schemes) must have been implemented after May 2018.
- > Submissions of the same entry for more than one category are welcomed with additional cover sheets.
- > Award entries must clearly demonstrate the positive results the project/initiative has achieved. The strongest entries will show how the results of the initiative have been measured.
- > If the aim of the project was to provide a solution to an existing problem, please make sure you describe the previous situation and the subsequent positive changes as a result of your initiative.
- > Testimonials are highly recommended, for example from passengers, clients or partner organisations.
- > If your entry has already won awards elsewhere, please tell us as this supports its credibility.
- > Award entries will be accepted up to the deadline of Friday 30 August 2019.
- > You will be informed if you've made the final shortlist.
- > The Judging Panel's decision is final and no correspondence will be entered into.

Awards categories will be judged based upon the following criteria:

- > Direct customer benefit
- > Innovation or thinking differently
- > Added value
- > Value for money
- > Tangible impact
