

# Significant Safety Initiative

## Entry criteria and submission advice

### CATEGORY SPECIFICS

Light rail and metro operations pride themselves on their exemplary safety records. The winning entries in this category could be a product, a service, an initiative, or even an exemplary safety at work record – who should be recognised on the worldwide stage in 2018 for ensuring the health and well-being of their passengers and staff?

### GENERAL

- > The Global Light Rail Awards are free to enter.
- > Entry submissions are preferred in digital PDF format, although can be supplied as printed copies.
- > Please include high-resolution photographs, diagrams and graphics to support your entry where applicable.
- > Award entries should be a minimum of 2 pages and a maximum of 10 pages.
- > Projects forming part of a submission (including improvements to existing schemes) must have been implemented after May 2018.

- > Award entries must clearly demonstrate the positive results the project/initiative has achieved. The strongest entries will convey results in a statistical manner and show how the results have been measured.

- > Testimonials are highly recommended, for example from passengers, clients or partner organisations.
- > If your entry has already won awards elsewhere, please tell us as this supports its credibility.
- > Award entries will be accepted up to the deadline of Friday 30 August 2019.
- > You will be informed if you've made the final shortlist.
- > The Judging Panel's decision is final and no correspondence will be entered into.
