

Outstanding Engineering Achievement

Entry criteria and submission advice

CATEGORY SPECIFICS

This award covers all aspects of infrastructure, rolling stock and system engineering (large or small) and will be awarded to the entrant that has demonstrated value for money, delivery ahead of schedule and/or budget and will be accepted from systems, contractors and suppliers.

GENERAL

- > The Global Light Rail Awards are free to enter.
- > Entry submissions are preferred in digital PDF format, although can be supplied as printed copies.
- > Please include high-resolution photographs, diagrams and graphics to support your entry where applicable.
- > Award entries should be a minimum of 2 pages and a maximum of 10 pages.
- > Projects or initiatives (including improvements to existing lines and systems) must have been implemented after July 2019.
- > Submissions of the same entry for more than one category are welcomed with additional cover sheets.
- > Award entries should clearly demonstrate the positive results the project/initiative has achieved. These results could, for example, take the form of increased passenger satisfaction levels, improved service reliability, significant environmental benefits, increased efficiency, employment creation, increased safety levels etc. The strongest entries will show how the results have been measured.
- > If the aim of the project was to provide a solution to an existing problem, make sure you describe the previous situation and the subsequent positive changes.
- > Testimonials are highly recommended, for example from passengers, clients or partner organisations.
- > If your entry has already won awards elsewhere, please tell us as this supports its credibility.
- > Award entries will be accepted up to the deadline of **FRIDAY 7 AUGUST 2020**.
- > You will be informed if you've made the final shortlist.
- > The Judging Panel's decision is final and no correspondence will be entered into.

Awards categories will be judged based upon the following criteria:

- > Tangible impact
- > Innovation or thinking differently
- > Added value
- > Value for money
- > Tangible impact
- > Teamwork and collaboration

2019 HONOURS

WINNER: West Midlands Metro – Westside Extension

HIGHLY COMMENDED: Aarhus Letbane – Tram to tram-train

Outstanding Engineering Achievement
